

UPDATE: July 24, 2020

Panama City Beach - Beginning Monday July 27th at 5pm, a mandatory ordinance requiring a face covering for ALL indoor business employees and patrons will be in place.

Anyone over the age of 6 must wear a face covering, such as a face mask, bandana, or scarf, when inside a place of business.

This ordinance is for the Panama City Beach location only. Our Crestview and Pensacola locations do not have this ordinance in place at this time.

We are advising **ALL** patients that they **MUST** bring and wear a face covering while they are in our office. Please note that Panhandle Orthopaedics cannot provide face coverings at this time, therefore it will be the patient's responsibility to have their own.

IMPORTANT, due to this ordinance, if a patient does not have a face covering for themselves, and whomever is with them, they will not be able to stay in the building and will not be permitted to attend appointment until they can obtain and wear a face covering.

Below is a link to the full ordinance:

<http://www.pcbgov.com/Home/Components/News/News/4469/18>

Please note that face coverings/masks are readily available for purchase at numerous stores such as CVS and Walgreens.

We apologize for the inconvenience, however, this ordinance will help ensure patient health and safety.
